To the Membership of Local Lodge 2909:

Due to the spike in COVID-19 cases in both Oklahoma and Texas the executive board discussed the upcoming August meeting. We do not have adequate space to promote social distancing at the meeting and out of concern for everyone's safety the executive board voted to cancel the August meeting. The IAMAW Constitution does allow for Locals to cancel their meetings in July and August without special dispensation.

Hope that everyone is doing their best to stay safe during these crazy times.

In Solidarity,

Carol Johnson
President LL 2909
